**Description:** (attach supplementary materials if needed)

IDEA: *Awesome for cross-curriculum activity*

*I have over the years had my sixth grade students make hand-held puppets (Art). Usually, they also create their own skits (in groups of 2-3), teaching something with a spiritual nugget or a moral that is relevant—or we peruse skits already created (language arts).*

*We use Bible classes to practice our skits.*

*During assemblies/church services, the students perform the skits (Personal Planning/Life Skills).*
