Description: (attach supplementary materials if needed)

This idea applies to:

- technology in the classroom
- classroom management technique
- project - based teaching/activity idea
- webquest
- improve teacher/student/parent communication

Description:

Creation of a Web page and WebQuest for Careers10 class
(<http://www.kingswaycollege.on.ca/langevina/index.html>)

The Web page invites students and parents to view:

- unit outlines
- click on helpful links pertaining to careers and choices of Adventist universities as well as public
- participate in a WebQuest (this WebQuest involves the participant to navigate through several free standardized tests located on Internet, explore self and abilities in the pursuit toward choosing a career)
- complete a project (the project includes 12 steps explaining how to create a personal portfolio: cover letter, résumé, follow up letter, choose a university, interview people in the desired field, and more)

The Web page also includes information on other classes as well. 😊
