

# FAMILY GROUP Prayer Walk

This was inspired and intended for groups of families that may be gathered together (on a Sabbath, perhaps) to be together. Each family group would unite and travel together as all family groups walk together on this prayer walk.

## Psalm 115:12

The Lord takes notice of us. He will bless the family.

We are promised a special blessing as a family group. What blessing can you see God giving your family?

(One family group finds the first place to stop.)

## Matthew 10:37

Anyone who loves their father or mother more than me is not worthy of me. . . .

Look at your sons and daughters, mothers and fathers, and think about how much you love them . . . we need to love God even more.

(Ask another family to lead the group to this last stop.)

## Proverbs 1:8, 9

Listen my child to the instruction of your father.

Ask the children: What has been the best advice your parents have given you? Why is it important to listen to your mom and dad? What good things have your mom and dad taught you?

(Let one of the smallest kids pick the next stop.)

## Ephesians 5:22-25

Wives, submit to your husbands. . . . Husbands, love your wives.

Husbands and wives share their love for each other. How is this an important step to a healthy family? Ask husbands and wives to pray together while the children listen.

(A husband and wife can agree on the spot to lead the group to.)

## Isaiah 49:15

Can a mother ever forget her child? . . . I could never forget you.

Contemplate the love God has for you . . . it is even greater than a mother's love for her child. Offer a prayer of thankfulness for this love.

(one of the mothers to should pick this stop.)
